

Grupp nr: 2

- Nina Hedman, ni.hedman@gmail.com
- Victor Sago, victorsago01@gmail.com
- Pontus Sandliden, pontussandliden@hotmail.com
- Annika Svedin, annika.svedin@gmail.com
- Felix Törnqvist, felix.trnqvist@gmail.com

Planering från föregående redovisning

Till nästa gång planerar vi att:

- Implementerat hälften - majoriteten av programmet

Kommandon och funktioner

- CommandPrompt– Pontus, Nina
- cd – Annika
- pwd – Nina
- cp – Felix
- file - Victor

Status: Nina Hedman

- Läste på om olika kommandon och Java-implementation
- Tog bort felaktiga klasser och dess testklasser
- Metod och dess test för att lista innehåll i lokal mapp
- Försökt få systemet att samarbeta med varandra och mig

	List the content of a local folder, method and test loafalkman committed a day ago		0f28523	
	Tog bort felaktiga klasser (File och Directory) och dess testklasser Naicah committed a day ago		219850a	

Status: Pontus Sandliden

- Läste på om olika kommandon och Java-implementation
- Utvecklade skelett för CommandPrompt
- Försökt få systemet att samarbeta med varandra och mig

Status: Annika

- Implementerat tester/metoder som listar filer, letar upp sökvägen till projektets hemkatalog, sökvägen till hemkatalogens parent

Status: Victor Sago

- Försökt få eclipse att funka med github
- Skapade .gitignore som kan användas av alla

Adding gitignore and amending the bulid file

Planering

- Skapa den nya strukturen för att testerna skall fungera hos alla
- Klara med de kommandon och dess tester vi påbörjat och hittills planerat att implementera
- Bestämna vad mer vi vill implementera
